To strengthen its position for the long term, Dollar General is making significant investments, primarily in compensation and training for store managers given the critical role this position plays in their customer experience, as well as strategic initiatives.

Fortune 500 recognized Dollar General in 1999 and in 2018 reached #123. Dollar General has grown to become one of the most profitable stores in the rural United States with revenue reaching \$23.47 billion in 2018.
