## OFFERING MEMORANDUM

## CONFIDENTIALITY AND DISCLAIMER

Marcus & Millichap hereby advises all prospective purchasers of Net Leased property as follows:

The information contained in this Marketing Brochure has been obtained from sources we believe to be reliable. However, Marcus & Millichap has not and will not verify any of this information, nor has Marcus & Millichap conducted any investigation regarding these matters. Marcus & Millichap makes no guarantee, warranty or representation whatsoever about the accuracy or completeness of any information provided.

As the Buyer of a net leased property, it is the Buyer's responsibility to independently confirm the accuracy and completeness of all material information before completing any purchase. This Marketing Brochure is not a substitute for your thorough due diligence investigation of this investment opportunity. Marcus & Millichap expressly denies any obligation to conduct a due diligence examination of this Property for Buyer.

Any projections, opinions, assumptions or estimates used in this Marketing Brochure are for example only and do not represent the current or future performance of this property. The value of a net leased property to you depends on factors that should be evaluated by you and your tax, financial and legal advisors.

Buyer and Buyer's tax, financial, legal, and construction advisors should conduct a careful, independent investigation of any net leased property to determine to your satisfaction with the suitability of the property for your needs.

Like all real estate investments, this investment carries significant risks. Buyer and Buyer's legal and financial advisors must request and carefully review all legal and financial documents related to the property and tenant. While the tenant's past performance at this or other locations is an important consideration, it is not a guarantee of future success. Similarly, the lease rate for

some properties, including newly-constructed facilities or newly-acquired locations, may be set based on a tenant's projected sales with little or no record of actual performance, or comparable rents for the area. Returns are not guaranteed; the tenant and any guarantors may fail to pay the lease rent or property taxes, or may fail to comply with other material terms of the lease; cash flow may be interrupted in part or in whole due to market, economic, environmental or other conditions. Regardless of tenant history and lease guarantees, Buyer is responsible for conducting his/her own investigation of all matters affecting the intrinsic value of the property and the value of any long-term lease, including the likelihood of locating a replacement tenant if the current tenant should default or abandon the property, and the lease terms that Buyer may be able to negotiate with a potential replacement tenant considering the location of the property, and Buyer's legal ability to make alternate use of the property.

By accepting this Marketing Brochure you agree to release Marcus & Millichap Real Estate Investment Services and hold it harmless from any kind of claim, cost, expense, or liability arising out of your investigation and/or purchase of this net leased property.

## **Concept Overview**

When it comes to getting value for everyday items for the entire family in an easy to shop, neighborhood location, Family Dollar is the best place to go. One of the nation's fastest growing retailers, Family Dollar offers a compelling assortment of merchandise for the whole family ranging from household cleaners to name brand foods, from health and beauty aids to toys, from apparel for every age to home fashions, all for everyday low prices. While shoppers can find many items at \$1 or less, most items in the store are priced below \$10, which makes shopping fun without stretching the family budget.

When the company opened its first store in November 1959 in Charlotte, North Carolina, nothing sold for more than \$2. Now, more than 50 years later; Family Dollar has grown to more than 8,100 stores in 46 states with sales in excess of \$10 billion. Over time, the merchandise mix has evolved, but the principal that drives the business the same – satisfy the customer and the customer will return.

As shoppers enter their neighborhood Family Dollar, they'll find great values on the name brands they trust in a clean, well-organized store staffed with friendly team members who are members of the local community. The average size of a Family Dollar store is approximately 7,000 square feet, and most stores are operated in leased facilities. This relatively small footprint allows the company to open new stores in rural areas and small town, as well as in large urban neighborhoods. Within these markets, the stores are located in shopping centers or as free-standing building and all are convenient to the company's customer base. Family Dollar is headquartered in Matthews, North Carolina, just outside of Charlotte and has been a publicly held corporation since 1970. Its common stock is listed on the New York Stock Exchange under the ticker symbol FDO. The stores generally serve customers who live within three to five miles of the store. Approximately 24 percent of Family Dollar stores are located in large urban markets, while roughly 20 percent of its stores are located in small urban markets or suburban areas. Family Dollar's target customer is women in their forties shopping for a family earning less than \$40,000 a year.

The Company sells brands from leading manufacturers including:Procter & Gamble, Coca-Cola, Unilever, Nestle, Kimberly Clark, Clorox, Colgate Palmolive, Georgia Pacific, Frito-Lay, and PepsiCo, which are sold at higher prices elsewhere. During fiscal 2014, nationally advertised brand name merchandise accounted for approximately 71 percent of sales. Merchandise sold under the Company's private brands program, across all merchandise categories, accounted for approximately 29 percent of sales. During fiscal 2014, closeout merchandise accounted for approximately three percent of total sales.
