INVESTMENT OVERVIEW

Marcus & Millichap is proud to offer for sale an absolute NNN corporate guaranteed ground lease with US Bank located in Cicero (Chicago), Illinois. The tenant originally signed a 20 year lease in 2005 and the lease will expire in August of 2025. In 2020 the lease will incur a 10% rent bump bringing the annual rent to \$266,200 for the last five years of the lease and the tenant has four 5-year options to renew. The subject property is located only approximately seven miles west of downtown Chicago. The US Bank is ideally situated as an outparcel to a large shopping center that is home to Harbor Freight Tools, AMC Showplace movie theater, Cermak Fresh Market grocery store, Dollar Tree, Rent-A-Center. Adjacent pad tenants include Taco Bell, White Castle, Chipotle, and Popeyes. This site is an ideal passive investment for an investor looking for property occupied by a credit rated tenant in the Chicago metropolitan area.

Cicero (originally known as Hawthorne) is a suburb of Chicago and an incorporated town in Cook County, Illinois. As of 2016 the town had an estimated total population of 82,992. Chicago is the third most populous city in the United States. With over 2.7 million residents, it is also the most populous city in both the state of Illinois and the Midwestern United States. It is the county seat of Cook County. The Chicago metropolitan area, often referred to as Chicagoland, has nearly 10 million people and is the third-largest in the United States. Positioned along Lake Michigan, the city is an international hub for finance, commerce, industry, technology, telecommunications, and transportation. O'Hare International Airport is the second-busiest airport in the world when measured by aircraft traffic after HartsfieldJackson Atlanta International Airport. Chicago has the fourth-largest gross metropolitan product in the worldabout \$640 billion according to 2015 estimates-ranking it after the metropolitan areas of Tokyo, New York City, and Los Angeles, and ranking ahead of number five London and number six Paris. The city has one of the world's largest and most diversified and balanced economies; not dependent on any one industry, with no single industry employing more than 14% of the workforce. Chicago was the second most visited city in the United States with 55 million domestic and international visitors, just behind New York City's 59 million visitors.

MARKET OVERVIEW

CHICAGO OVERVIEW

Chicago-Naperville-Elgin is one of the largest metros in the nation. Also know as the greater Chicagoland area, it is bounded to the east by Lake Michigan, expands over a 5,000-square-mile region in northeastern Illinois and extends into Wisconsin and Indiana. The metro houses 9.6 million people and comprises 14 counties. The city of Chicago contains 2.7 million residents. The greatest growth during the past 20 years occurred in the western portion of the region. In recent years, however, businesses are relocating back into the city to attract young workers, supporting the development of high-rise residential towers in the downtown Chicago.

METRO HIGHLIGHTS

THIRD-LARGEST METROPOLITAN AREA

The metro population trails only New York City and Los Angeles in size. It will expand to nearly 9.9 million residents by 2023.

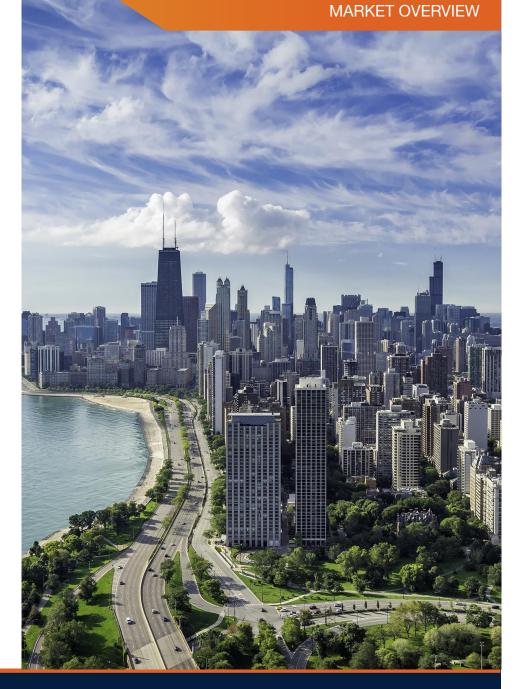

WEALTH OF INTELLECTUAL CAPITAL

The number of corporate headquarters in Chicago is second only to New York City. There are 33 Fortune 500 companies based locally.

LARGE, DIVERSE EMPLOYMENT BASE

The Chicago metro employs more than 4.7 million individuals in an array of industries, including a growing tech sector.

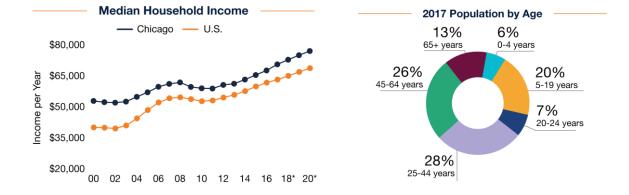

DEMOGRAPHICS

- Chicago is the third most populous metro in the U.S. and is expected to grow by approximately 270,000 people during the next five years.
- Younger professionals moving to the area for employment provide a skilled workforce and contribute to the median age of 37 years, below that of the nation.
- World-class education institutions including Northwestern University and the University of Chicago help provide a skilled labor pool. Nearly 35 percent of residents age 25 and older hold a bachelor's degree and of these, 13 percent have also earned a graduate or professional degree, which is well above the national level.
- Local homeownership of 65 percent is slightly above the national rate of 64 percent.

NET LEASED DISCLAIMER

Marcus & Millichap hereby advises all prospective purchasers of Net Leased property as follows:

The information contained in this Marketing Brochure has been obtained from sources we believe to be reliable. However, Marcus & Millichap has not and will not verify any of this information, nor has Marcus & Millichap conducted any investigation regarding these matters. Marcus & Millichap makes no guarantee, warranty or representation whatsoever about the accuracy or completeness of any information provided.

As the Buyer of a net leased property, it is the Buyer's responsibility to independently confirm the accuracy and completeness of all material information before completing any purchase. This Marketing Brochure is not a substitute for your thorough due diligence investigation of this investment opportunity. Marcus & Millichap expressly denies any obligation to conduct a due diligence examination of this Property for Buyer.

Any projections, opinions, assumptions or estimates used in this Marketing Brochure are for example only and do not represent the current or future performance of this property. The value of a net leased property to you depends on factors that should be evaluated by you and your tax, financial and legal advisors.

Buyer and Buyer's tax, financial, legal, and construction advisors should conduct a careful, independent investigation of any net leased property to determine to your satisfaction with the suitability of the property for your needs.

Like all real estate investments, this investment carries significant risks. Buyer and Buyer's legal and financial advisors must request and carefully review all legal and financial documents related to the property and tenant. While the tenant's past performance at this or other locations is an important consideration, it is not a guarantee of future success. Similarly, the lease rate for some properties, including newly-constructed facilities or newly-acquired locations, may be set based on a tenant's projected sales with little or no record of actual performance, or comparable rents for the area. Returns are not guaranteed; the tenant and any guarantors may fail to pay the lease rent or property taxes, or may fail to comply with other material terms of the lease; cash flow may be interrupted in part or in whole due to market, economic, environmental or other conditions. Regardless of tenant history and lease guarantees, Buyer is responsible for conducting his/her own investigation of all matters affecting the intrinsic value of the property, and the value of any long-term lease, including the likelihood of locating a replacement tenant if the current tenant should default or abandon the property, and the lease terms that Buyer may be able to negotiate with a potential replacement tenant considering the location of the property, and Buyer's legal ability to make alternate use of the property.

By accepting this Marketing Brochure you agree to release Marcus & Millichap Real Estate Investment Services and hold it harmless from any kind of claim, cost, expense, or liability arising out of your investigation and/or purchase of this net leased property.
