#### **JACKSONVILLE, FL**

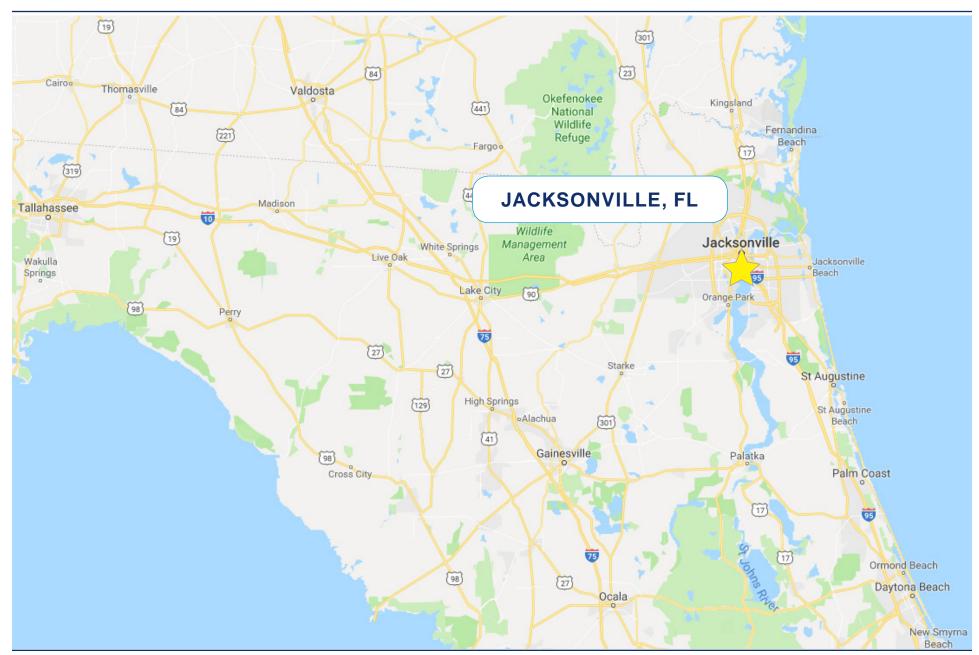

Jacksonville boasts a diverse economy, including prominent corporations and organizations, military bases and the commercial port. Four Fortune 500 companies are headquartered in the city: CSX Corporation, Fidelity National Financial, Fidelity National Information Services and Winn-Dixie Stores, Inc (Bi-Lo). Bank of America and Citibank, attracted by the low cost of doing business in the MSA, each employ over 5,000 locally. The area's naval bases are a major force in the local economy, with over 25,000 on payroll. Jacksonville's deepwater port, JAXPORT, is the largest in the US South Atlantic, with terminals equipped to handle break bulk, container, bulk, automotive and refrigerated cargo.

The MSA is a competitive alternative to South Florida, with the median home price at \$129,000 (well below South Florida), allowing nearly 60% of residents to own a home. Incomes over the next 5 years are expected to rise faster than home prices, supporting an increase in consumer expenditures.
