NET LEASE DISCLAIMER NOTICE

MARCUS & MILLICHAP HEREBY ADVISES ALL PROSPECTIVE PURCHASERS OF NET LEASED PROPERTY AS FOLLOWS:

The information contained in this Marketing Brochure has been obtained from sources we believe to be reliable. However, Marcus & Millichap has not and will not verify any of this information, nor has Marcus & Millichap conducted any investigation regarding these matters. Marcus & Millichap makes no guarantee, warranty or representation whatsoever about the accuracy or completeness of any information provided. As the Buyer of a net leased property, it is the Buyer's responsibility to independently confirm the accuracy and completeness of all material information before completing any purchase. This Marketing Brochure is not a substitute for your thorough due diligence investigation of this investment opportunity. Marcus & Millichap expressly denies any obligation to conduct a due diligence examination of this Property for Buyer. Any projections, opinions, assumptions or estimates used in this Marketing Brochure are for example only and do not represent the current or future performance of this property. The value of a net leased property to you depends on factors that should be evaluated by you and your tax, financial and legal advisors.

Buyer and Buyer's tax, financial, legal, and construction advisors should conduct a careful, independent investigation of any net leased property to determine to your satisfaction with the suitability of the property for your needs.

Like all real estate investments, this investment carries significant risks. Buyer and Buyer's legal and financial advisors must request and carefully review all legal and financial documents related to the property and tenant. While the tenant's past performance at this or other locations is an important consideration, it is not a guarantee of future success.

Similarly, the lease rate for some properties, including newly-constructed facilities or newly-acquired locations, may be set based on a tenant's projected sales with little or no record of actual performance, or comparable rents for the area. Returns are not guaranteed; the tenant and any guarantors may fail to pay the lease rent or property taxes, or may fail to comply with other material terms of the lease; cash flow may be interrupted in part or in whole due to market, economic, environmental or other conditions. Regardless of tenant history and lease guarantees, Buyer is responsible for conducting his/her own investigation of all matters affecting the intrinsic value of the property and the value of any long-term lease, including the likelihood of locating a replacement tenant if the current tenant should default or abandon the property, and the lease terms that Buyer may be able to negotiate with a potential replacement tenant considering the location of the property, and Buyer's legal ability to make alternate use of the property.

By accepting this Marketing Brochure you agree to release Marcus & Millichap Real Estate Investment Services and hold it harmless from any kind of claim, cost, expense, or liability arising out of your investigation and/or purchase of this net leased property.

Marcus & Millichap has been exclusively retained to offer for purchase this 14,520 square foot, build-to-suit facility for Fresenius Kidney Care. Located in Columbia, Tennessee this attractive freestanding medical office building on 1.93 +/- acres was carefully site selected by Fresenius. The lease was just extended by 5 years and now has 5.6 years remaining on the lease term. The five-year extension will commence on March 9, 2020, making this critical care dialysis center property an excellent real estate opportunity. The strength of Fresenius as the tenant with a corporate guarantee from Fresenius Medical Care Holdings, Inc. (Moody’s “Baa3 Stable” Rated) allows for a stable, low risk investment.

During the term of the lease there will be 1.00 percent annual rent increases providing long-term stable cash flow and clear appreciation in value of the asset. Fresenius also has three five-year options to extend the lease with notice to the lessor no later of 180 days. Fresenius is responsible for the day-to-day maintenance of the property, leaving the investor a credit rated, passive investment. Fresenius is open 6 days a week with 42 dialysis stations, including 2 located in a separation room. This dialysis center is located next door to The Bridge at Columbia assisted living center with 71 beds. Furthermore it is located less than a mile from the 360 bed Maury Regional Medical Center, the largest hospital health care system between Nashville and Huntsville. Columbia, Tennessee has a 78,309 population and is located in the Nashville MSA with a growing 2018 population of 2,057,416.

TENANT SUMMARY

Fresenius is the premier provider of dialysis services in the United States, and also is the largest. Through their Fresenius Medical Services company, they operate more than 3,928 outpatient dialysis clinics in more than 50 countries. In fiscal year 2018 Fresenius did \$16.6 Billion in sales and had a net worth of \$12.9 Billion.

Fresenius Medical Care is the world's largest integrated provider of products and services for individuals undergoing dialysis because of chronic kidney failure, a condition that affects more than 2,776,000 individuals worldwide. Through its network of 3,928 dialysis clinics in North America, Europe, Latin America, Asia-Pacific and Africa, Fresenius Medical Care provides dialysis treatment to 336,000 patients around the globe. Fresenius Medical Care is also the world's leading provider of dialysis products such as hemodialysis machines, dialyzers and related disposable products. Fresenius Medical Care AG & Co. is listed on the Frankfurt Stock Exchange (FME, FME3) and the New York Stock Exchange (FMS, FMS/P).

Fresenius SE & Co. KGaA is a German health care company based in Bad Homburg. The Fresenius Group provides products and services for dialysis, hospitals as well as inpatient and outpatient medical care. In addition, the company focuses on hospital

management as well as on engineering and services for medical centers and other health care facilities. The company is a component of the Euro Stoxx 50 stock market index.

Fresenius consists of four business segments, Fresenius Medical Care, Fresenius Helios, Fresenius Kabi and Fresenius Vamed. With activities in about 100 countries, it has more than 110,000 employees. Another arm of Fresenius Kabi is Fresenius Kabi Oncology Plc. It produces generics of intravenous oncology products such as Paclitaxel, Irinotecan, Oxaliplatin, Gemcitabine, Cytarabine, Carboplatin, Topotecan, Docetaxel and Epirubicin.

Fresenius owns the Helios Kliniken, which has more than 100 hospitals and more than 30,000 beds, treating over 4 million patients annually. The hospital operator is the biggest provider of inpatient and outpatient care in Germany. The North American branch of Fresenius Medical Care is headquartered in Waltham, Massachusetts. Fresenius acquired 41 hospitals from its rival Rhoen-Klinikum for around \$4.1 billion in September 2013.
