#### INVESTMENT OVERVIEW

Marcus & Millichap is pleased to offer the fee simple interest in a 7-Eleven Anchored Retail Center located in Northbrook, Illinois. This wealthy suburban enclave, located about 20 miles North of Chicago, is a high-barrier-to-entry, mature, infill market. Positioned across the street from the Northbrook Metra station, this 7-Eleven anchored retail center benefits from the resulting daily commuter traffic flows. The other tenants in the center are service oriented, forming a synergistic partnership with their anchor tenant.

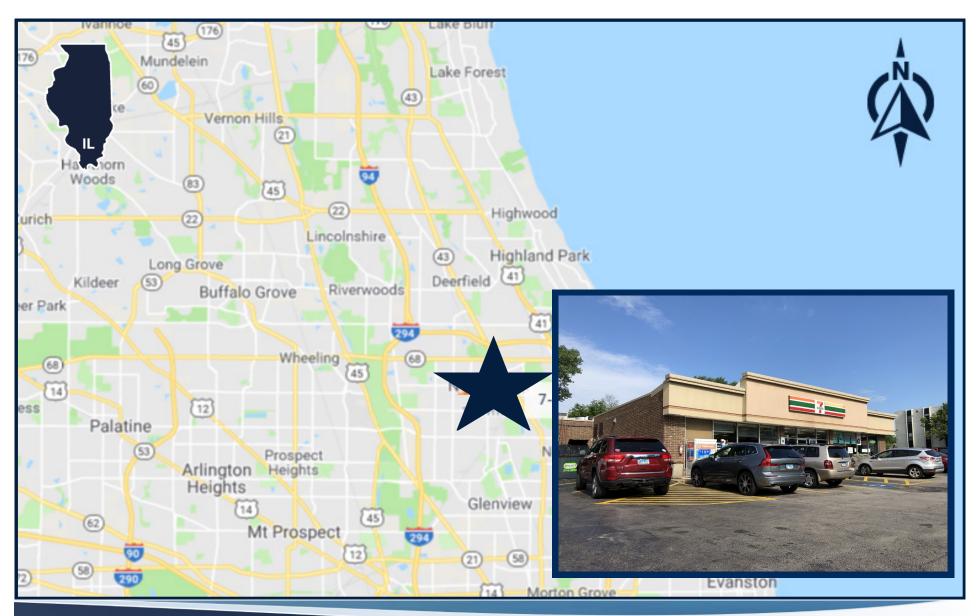

The current owner purchased the property last year and immediately signed a renewal option with 7-Eleven, taking a 10 percent increase in their annual rent. Ownership also extended two short term leases and converted them to NNN, stabilizing the rent roll and increasing the NOI significantly. In its current condition, this is a highly stabilized retail center, located in a dense, infill market with average household incomes exceeding \$170,000 annually. It's an opportunity for a long-term investor to acquire a well performing asset and to enjoy steady cash-flow in a high barrier to entry to market. The rents are low and replaceable and, given the almost non-existent vacancy in downtown Northbrook, there's likely future upside in the rents.

#### INVESTMENT HIGHLIGHTS

- 7-Eleven (S&P Credit Rating AA-) recently exercised their final renewal option, increasing their annual rent by 10 percent
- Long-term leases, several tenants just renewed and agreed to operate on NNN leases
- North Shore Chicago location in a mature, infill submarket
   0.2 miles from the Northbrook Metra station
- Located 1 mile from Glenbrook North High School (2,000 Students)
- Low vacancy market, with replaceable rents
- Average HH incomes of over \$180k annually
