# Confidentiality and Disclaimer

Marcus & Millichap hereby advises all prospective purchasers of Net Leased property as follows:

The information contained in this Marketing Brochure has been obtained from sources we believe to be reliable. However, Marcus & Millichap has not and will not verify any of this information, nor has Marcus & Millichap conducted any investigation regarding these matters. Marcus & Millichap makes no guarantee, warranty or representation whatsoever about the accuracy or completeness of any information provided.

As the Buyer of a net leased property, it is the Buyer's responsibility to independently confirm the accuracy and completeness of all material information before completing any purchase. This Marketing Brochure is not a substitute for your thorough due diligence investigation of this investment opportunity. Marcus & Millichap expressly denies any obligation to conduct a due diligence examination of this Property for Buyer.

Any projections, opinions, assumptions or estimates used in this Marketing Brochure are for example only and do not represent the current or future performance of this property. The value of a net leased property to you depends on factors that should be evaluated by you and your tax, financial and legal advisors.

Buyer and Buyer's tax, financial, legal, and construction advisors should conduct a careful, independent investigation of any net leased property to determine to your satisfaction with the suitability of the property for your needs.

Like all real estate investments, this investment carries significant risks. Buyer and Buyer's legal and financial advisors must request and carefully review all legal and financial documents related to the property and tenant. While the tenant's past performance at this or other locations is an important consideration, it is not a guarantee of future success. Similarly, the lease rate for some

properties, including newly-constructed facilities or newly-acquired locations, may be set based on a tenant's projected sales with little or no record of actual performance, or comparable rents for the area. Returns are not guaranteed; the tenant and any guarantors may fail to pay the lease rent or property taxes, or may fail to comply with other material terms of the lease; cash flow may be interrupted in part or in whole due to market, economic, environmental or other conditions. Regardless of tenant history and lease guarantees, Buyer is responsible for conducting his/her own investigation of all matters affecting the intrinsic value of the property and the value of any long-term lease, including the likelihood of locating a replacement tenant if the current tenant should default or abandon the property, and the lease terms that Buyer may be able to negotiate with a potential replacement tenant considering the location of the property, and Buyer's legal ability to make alternate use of the property.

By accepting this Marketing Brochure you agree to release Marcus & Millichap Real Estate Investment Services and hold it harmless from any kind of claim, cost, expense, or liability arising out of your investigation and/or purchase of this net leased property.

# Location Overview

Property Address: 8408 Preston Highway, Louisville, KY 40219

The subject Car Wash benefits from being well-positioned in a highly dense retail corridor consisting of national and local tenants, shopping centers, and academic institutions. Major national tenants in the area include Walmart, Home Depot, Kroger, Best Buy, CVS, T.J. Maxx, Office Depot, Family Dollar, Dollar General, Red Lobster, Applebee's Grill + Bar, Long John Silver's, McDonald's, Taco Bell, as well as several others. This Car Wash benefits from being located 2 miles from Jefferson Mall. Jefferson Mall is anchored by Dillard's and JCPenney with over 95 permanent stores in 990,452 sqft of lease spaced. The subject property is located just under 8 miles from the Louisville International Airport. The Louisville International Airport is the third-busiest airport in the United States in terms of cargo traffic and seventh-busiest in the world. Over 3.8 million passengers and over 5.7 billion pounds of cargo passed through the airport in 2018.

The site is situated on Preston Highway, which has an average daily traffic count of 28,983 vehicles. Preston Highway intersects with Outer Loop which brings an additional 31,454 vehicles into the immediate area daily. There are approximately 58,649 individuals within a three-mile radius and 158,463 individuals within a five-mile radius.

Louisville, Kentucky's largest city, sits on the Ohio River along the Indiana Border. Louisville is the county seat of Jefferson County and has a metro population of roughly 1,284,848. Louisville, since its origin, has been heavily linked to the shipping and cargo industries, due to its location at the crossroads of three major interstate highways (I-64, I-65, and I-71). However, in the recent past, Louisville has expanded its economy across several industries, emerging as a major center for health care and medical sciences. It has been central to advancements in heart and hand surgery, as well as cancer treatment. In fact, some of the earliest artificial heart and hand transplants were conducted in Louisville. In addition to a growing economy, Louisville is home to a very diverse cultural scene that includes international cuisine, fine and performing arts, and music. Today, the city is known as the home of the Kentucky Derby, Kentucky Fried Chicken, the University of Louisville and its Louisville Cardinals athletic teams, Louisville Slugger baseball bats, and three of Kentucky's six Fortune 500 companies. Its main airport, Louisville International Airport, is also the site of United Parcel Service's (UPS) worldwide air hub

*Louisville, Kentucky*

**Louisville** is a city that combines heritage with innovation, authenticity with originality, and quirkiness with friendliness, in a way that's completely unique to the region. The city is an entirely different type of Southern. From boundary pushing twists on Southern cuisine that has made the city one of the "10 Best New Food Cities" in America to the one and only Urban Bourbon Experience, featuring the world's only, city-wide trail filled with award-winning micro-distilleries, exhibits and craft cocktail destinations. Then discover one-of-a-kind attractions like the legendary Churchill Downs, Louisville Slugger Museum & Factory, and the Muhammed Ali Center. Louisville today is home to dozens of companies and organizations across several industrial classifications. However, the underpinning of the city's economy since its earliest days has been the shipping and cargo industries. Its strategic location at the Falls of the Ohio, and its unique position in the central United States (within one day's road travel to 60 percent of the cities in the continental United States) make it a very practical location for the transfer of cargo along its route to other destinations. Additionally, the Louisville and Portland Canal and the Louisville and Nashville Railroad have been important links in water and rail transportation. Louisville is also a significant center of manufacturing, with two major Ford plants, and the headquarters of major home appliance factory, GE Appliances. The city is also a major center of the American whiskey industry, with about one-third of all bourbon in the nation coming from Louisville.
