Wendy's is an American fast food restaurant chain that was founded by Dave Thomas in 1969 who opened the first restaurant in Columbus Ohio. His passion for the restaurant business set Wendy's apart from other chains. Instead of mass producing like some of his competitors, Dave Thomas thought of a way to prepare fresh made to order burgers. Each Wendy's restaurant offers an extensive menu specializing in hamburger sandwiches and featuring filet of chicken breast sandwiches, which are prepared to order with the customer's choice of condiments. Wendy's menu also includes chicken nuggets, chili, french fries, baked potatoes, freshly prepared salads, soft drinks, Frosty® desserts and kids' meals. In addition, the restaurants sell a variety of promotional products on a limited time basis. Wendy's also offers breakfast in some restaurants in the United States. Notable menu items include the Baconator, Dave's Single, Double and Triple and the Frosty among others.

Free-standing Wendy's restaurants generally include a pick-up window in addition to a dining room.

Approximately two-thirds of sales at Company-operated Wendy's restaurants occur through the pick-up window.

Wendy's opened their first international location in Ontario, Canada in 1976. As of June 30, 2019, the Wendy's restaurant system was comprised of 6,719 restaurants, of which 358 were owned and operated by the Company. Wendy's is the world's third largest quick-service restaurant company in the hamburger sandwich segment following McDonald's and Burger King.
