DOLLAR GENERAL®

TENANT OVERVIEW

Dollar General is the fastest-growing retailer which currently boasts roughly 19,600 neighborhood general stores in 48 US states, primarily in the South, East, Midwest, and the Southwest. Roughly 79.7% of Dollar General's sales are derived from consumables (including refrigerated, shelf-stable, and perishable foods,) in addition to everyday household items such as paper towels, bath tissues, paper dinnerware, laundry, and home cleaning supplies. Dollar General offers some of America's most trusted name brands such as Clorox, Energizer, Proctor & Gamble, Hanes, Coca-Cola, Mars, Nestlé, Kimberly-Clark, Kellogg's, General Mills, Pepsi, and many others.

With its small-box store model typically measuring $\pm 8,000$ sq. ft, Dollar General targets cost-conscious consumers that prefer easier and quicker access to items than at super-sized competitors such as Wal-Mart and Costco (which are also often much farther away). Indeed, Dollar General's strategy of catering to the value-conscious has paid off big, both during and after the recession.

AREA OVERVIEW

Imboden, AR

Imboden, Arkansas, is a small town located in Lawrence County in the northeastern region of the state. Nestled along the banks of the Spring River, Imboden is known for its scenic beauty and outdoor recreational opportunities, including fishing, canoeing, and kayaking. The town has a population of around 650 residents and exudes a peaceful, rural charm with a strong sense of community. Imboden is home to a few local businesses and essential services, contributing to a quiet, laid-back lifestyle. The town is also served by the Sloan-Hendrix School District, which provides education from kindergarten through high school.

Economically, Imboden is primarily supported by agriculture, local businesses, and the services provided within the town. Farming, particularly of soybeans, rice, and other crops, plays a significant role in the local economy. Additionally, some residents commute to nearby towns such as Walnut Ridge or Pocahontas for work, where there are more job opportunities in industries like manufacturing, healthcare, and retail. While Imboden itself has limited commercial activity, its proximity to these larger towns helps support the local economy and provides residents with access to broader employment and services. The town's economy is also bolstered by its appeal to tourists who visit the area for its natural beauty and outdoor activities.
