DOLLAR GENERAL®

TENANT OVERVIEW

Dollar General is the fastest-growing retailer which currently boasts roughly 21,000 neighborhood general stores in 48 US states, primarily in the South, East, Midwest, and the Southwest. Roughly 79.7% of Dollar General's sales are derived from consumables (including refrigerated, shelf-stable, and perishable foods,) in addition to everyday household items such as paper towels, bath tissues, paper dinnerware, laundry, and home cleaning supplies. Dollar General offers some of America's most trusted name brands such as Clorox, Energizer, Proctor & Gamble, Hanes, Coca-Cola, Mars, Nestlé, Kimberly-Clark, Kellogg's, General Mills, Pepsi, and many others.

With its small-box store model typically measuring $\pm 8,000$ sq. ft, Dollar General targets cost-conscious consumers that prefer easier and quicker access to items than at super-sized competitors such as Wal-Mart and Costco (which are also often much farther away). Indeed, Dollar General's strategy of catering to the value-conscious has paid off big, both during and after the recession.

AREA OVERVIEW

Newark, AR

Newark, Arkansas, is a small town located in Independence County, in the scenic Ozark foothills. The town is characterized by its rural charm, with agriculture playing a significant role in the local lifestyle. Newark's residents enjoy a slower pace of life, surrounded by natural beauty and a strong sense of local heritage. The town's amenities are modest, with essential services and local businesses catering to the needs of the community. The schools in Newark are part of the Cedar Ridge School District, providing educational opportunities for the town's youth.

Economically, Newark benefits from its proximity to Batesville, which is approximately 15 miles to the north. Batesville serves as the economic hub for the region, offering a broader range of employment opportunities, shopping, healthcare, and educational institutions, including Lyon College. Many residents of Newark commute to Batesville for work, which helps sustain the local economy. While Newark itself has limited commercial activity, its agricultural roots and connection to Batesville ensure a stable economic environment for its residents. The presence of larger employers and industries in Batesville also contributes to the economic resilience of Newark, providing access to resources and services that might otherwise be unavailable in a smaller town.
